

ALFA ROMEO... "Buono" ... FERARRI, MASERATI... "Buono..." SIAI MARCHETTI... "ahh... BRAVISSIMO!!!"

At long last, from the skilled hands of the world's finest Italian craftsmen, emerges a classic aircraft of unmatched beauty, performance and versatility... the magnificent RIVIERA amphibian. Built entirely to American standards by SIAI MARCHETTI of Milan, Italy, the RIVIERA stands uniquely alone and is the proud holder of six international records. Fifty years of seaplane building and design experience has produced the fastest production S-E amphibian in the world. Now you can discover the wonderful world of water flying with no penalties.
