 Anchorage, AK 99504

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product—Type Certificate Number: A-769
 Make: Republic
 Model: RC-3 (Seabee)

Description of the Type Design Change: Modify aft fuselage bulkhead and reroute aileron cables in order to extend baggage compartment floor, and replace aft passenger seat with a folding rear seat in accordance with Master Drawing List # MDL 700, revision A, dated November 16, 1994.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Amended Certificate and Approved Flight Manual Supplement, dated September 14, 1992, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this Certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
